

Crop Outlook Improved

Much more favorable weather conditions over the weekend have raised the hopes of district farmers that this year's grain crop may yet be harvested. Against the backdrop of golden autumn foliage combines and separators were busy early this week as farmers took advantage of the fine drying weather and went all out to accomplish as much as possible during the beautiful fall days.

Lions Plan New Rodeo Grounds

During the meeting of the Board of Directors of the Lions Club of Drayton Valley, held last Tuesday, plans were made for a busy season.

The real big project of course is the construction of new rodeo grounds in the Lions West Valley Park. A start has already been made in preparation for clearing and surveying. Included in the plans are the construction of the grounds in such a way that chuckwagon races can be held in conjunction with the rodeo and also the building of permanent bleachers that will seat 3000 persons.

The construction of these facilities will cost quite a sum of money. The Lions Club of Drayton Valley in cooperation with the local Recreation Board are hoping to obtain a grant from A.R.D.A. for this project. Application for this grant is being made at present. But even if this grant is received, it will not be enough for the entire project and therefore the local Lions Club is asking for everybody's co-operation and support for our fund raising projects; the proceeds of them will be used only for this project so that we can have a real grand rodeo next summer.

Some of these fund raising

projects are: World Series Pool, which is already on sale in the different stores; The annual Grey Cup Pool which will be held in November; the Christmas Music with spot-advertising, which was so well received last year will be repeated again this year. Local Lions will be contacting all local retailers, businesses etc. in the very near future to ask for their participation and support. When the new telephone books come out in November, it will be the Lions who will distribute these books to all telephone-subscribers with a Drayton Valley postal address. In December the Lions hope to conduct a raffle for Christmas cash, with the draw a few days before Christmas.

Other activities of the Lions Club for the benefit of disabled persons will be: CNIB Campaign from October 14th to 19th. In February 1969 the Lions will conduct a "WHITE CANE" street sale also for blind persons.

The Lions Club of Drayton Valley believes that much can be done in the field of service for our community and they are willing to do their share of this work, but they also need your moral support and financial support. "Activity is nature's doctor and the foundation of human happiness.

Voyageur Reaches Sea

Thirty-seven year old Bob Sanders of New York City ended a 5,000 mile water journey Friday, when he reached Astoria, Oregon, at the mouth of the Columbia River.

Mr. Sanders, a native of Buckland, England, left New York on May 9th to follow the route of the fur traders from ocean to ocean. He travelled in a 14-foot aluminum boat with a six horse power motor.

He arrived in Drayton Valley on Sunday, September 8th and was forced by the swift current to take his boat overland to Rocky Mountain House and from there to Revelstoke, B.C. where he entered the Columbia.

New Zone Commander

At the Legion Zone Rally in Drayton Valley Sunday afternoon a new Zone Commander, Carl Bjornstad of Evansburg was elected to office. Retiring Zone Commander Steve Craddock of Edson (right) extends his congratulations to Mr. Bjornstad.

Ministerial Order Creates New County

Information was received in Drayton Valley Monday that a Ministerial Order has been passed authorizing the establishment of Stony Plain County and the annexation of L.I.D. 77 as a part of the new unit.

The order, to be Gazetted October 10th, will become effective on January 1st, 1969.

The area to be annexed takes in the boundaries of the present Stony Plain School Division, including the Lodgepole - Cynthia districts. The name of the new county as it will appear in the Alberta Gazette is Stony Plain County but Rudolph Zander of Tomahawk, Reeve of the Stony Plain M.D., noted in an interview with The Western Review that the name of the county will be left up to residents. Present plans are for a name contest later in the year.

Mr. Zander stated that he expected a public works shop and county sub-offices would be established in Drayton Valley with nine or ten employees. Drayton Valley would also be the base for a municipal fire truck and a county police officer.

Two thousand people will be added to the unit with annexation bringing the total to about 12,000. The county assessment will be close to \$ 50 million.

Election of new councillors will take place this fall with nominations on November 2nd

and the election November 30th.

A committee of about 12 persons will have the responsibility for school affairs. Representatives will be elected in towns and villages, and together with the County Council form the school committee.

Premier To Retire

Premier E.C. Manning, announced Friday his intention of stepping down from leadership of the Social Credit party following a leadership convention of the party before the end of the year.

Mr. Manning, now 60 years of age, has spent the last 33 years as a member of the Alberta Legislature, most of the time as Premier.

He did not speculate on a new leader and noted that the choice will be the responsibility of a representative and democratically-conducted leadership convention. Within the government ranks, he said, there are strong, capable, experienced men, well qualified to assume the leadership and bring new vigor and new ideas to the process of government.

Mr. Manning did not elaborate on his plans for the future but said: "I am not asking to be relieved of the premiership to retire to a life of inactivity and ease. I have made this decision because I believe the time has come when new leadership can be beneficial to the Government and the people of Alberta and also because I believe I can now contribute more towards resolving the serious problems of our times by applying in other and broader fields the knowledge and experience gained through one-third of a century of active involvement in public affairs."

Lariat Club Annual Banquet

The Lariat Gymkhana Club is holding its annual banquet for the purpose of awarding trophies to their new winners on Friday, October 4th. It is to be held in the Elks Hall and supper starts at 6:30 p.m. A dance will be held afterwards with music supplied by Reg Ross' Orchestra.

Anyone wishing to attend may obtain tickets from Lloyd's Jewellery or phone 542-2061 or 542-2137. We hope to see you there.

Some people pursue happiness; others create it.

MAIN STREET

"Bradburn, do you realize it's been over six months since you made a significant scientific breakthrough?"

Raven Spending Vacation Here

A friendly town visitor who appears to be enjoying a taste of urban living is the glossy black raven observed by many people during the past few days.

Fall is the usual time for birds and animals to become a bit nomadic and this fellow apparently dropped in to see the bright lights from his usual stamping grounds a little further west.

We hope that the itchy trigger-finger characters don't blast him out of existence. He doesn't appear to be harming anyone and in the eyes of most people is a welcome visitor to our community.

EDITORIAL COMMENT

Post Office Plan Creates Problems

The Announcement by the Post Office Department last week of plans to close post offices across the country every Saturday starting this winter should prompt a lot of deep thought in communities that now close business places on another day of the week.

Though it isn't a problem of gigantic proportions, certainly an unenviable situation will arise in a great many Alberta Communities with the post offices closed Saturday and the stores on Monday. In these circumstances it's going to be inconvenient for anyone who makes a trip to town expecting to complete all his business on either of the two days.

We can't see a solution right at hand. Closing both on Saturday would probably suit some but on the other hand Saturday, with children out of school, is the customary family shopping day.

It's a problem that will rest entirely with businessmen to solve because there isn't much likelihood that Ottawa will change its plans. Merchants are well aware that the retail trade is founded on service and this fact will have to be a major consideration in arriving at a solution.

Suggestions for Approach by Voters

Make sure you know your MLA's or MP's full name. Because he has been elected by a majority of the voters in his constituency, give him the respect he deserves with rank and title.

Above all, check out your points and facts. Don't relate hearsay stories--don't exaggerate--be factual.

Press your point, be indignant if you want to be, but do not be abusive. Be constructive, not destructive.

If you approve of something he is doing, or the government has done, don't neglect voicing or writing your approval. Pat on the back can work wonders.

Don't deal with 40 different points at one time. Keep your messages brief as possible. -- Alberta Fish and Game Newsletter.

Running into debt is bad. But running into the people you owe the debt to, is worse.

Report From Parliament Hill

By Allen Sulatycky, M.P.

The First Session of Canada's 28th Parliament got underway on September 12th with the reading of the speech from the Throne by Governor-General Michener. It was the beginning of what well may become known as "The Trudeau Era".

The Throne speech is the traditional occasion on which the representative of the Crown in Canada advises the representatives of the people, the Members of Parliament, of the legislative program planned by the Ministers for the current Session of Parliament.

The Throne Speech is traditionally followed by the Address in Reply to the Throne Speech and the Address Seconding the Address Reply. The Address in Reply was given at this Session by Eymard Corbin, the Member representing Madawaska-Victoria in New Brunswick. The seconder was Len Marchand, from Kamloops, the first native Canadian ever elected to Parliament.

Next, following the Reply and Seconder, is Leader's Day, a day reserved for the leaders of the various parties represented in the House of Commons to comment on the Speech from the Throne. It is almost needless to say that the Speech rarely escapes the criticism of the leaders of the parties which sit opposite the Government. This Speech was no exception. At the same time, Leader's Day affords the Prime Minister the opportunity of elaborating on the programme outlined in the Throne Speech.

Almost as a rule, the leaders of the opposition parties move motions and various amendments intended to show non-confidence in the Government. The lack of logic in a procedure which would countenance such a move is at once perceivable. Clearly a government which won the confidence of the people in an election cannot seriously be accused of having lost this confidence after only two official days of Parliament.

The addresses of the leaders is followed by the Throne Speech Debate, which by the rules is to last a maximum of eight days. This debate is one of the rare opportunities afforded to the Members to speak on any topic which the Member wishes. For some Members it is one of the few times that they are heard in the House. The Debate leads to no conclusion and is therefore nothing more or less than an abuse of the people's time.

In the past many Members have chosen to speak of the characteristics of their respective ridings, during the Throne Speech Debate. This year that seemed to be

the exception rather than the rule. However, in view of the fact that our constituency of Rocky Mountain has many qualities, not to mention problems, which are of special significance in relation to the country as a whole, I considered that I would speak mainly on the characteristics of our riding.

As it turned out, a good many Members elected not to speak in this Debate, and the House, with all the parties in agreement, decided to move on with more meaningful business after only five and one half days on the Throne Speech Debate. As a result, I hope to address the House on our riding during the Budget Debate in October.

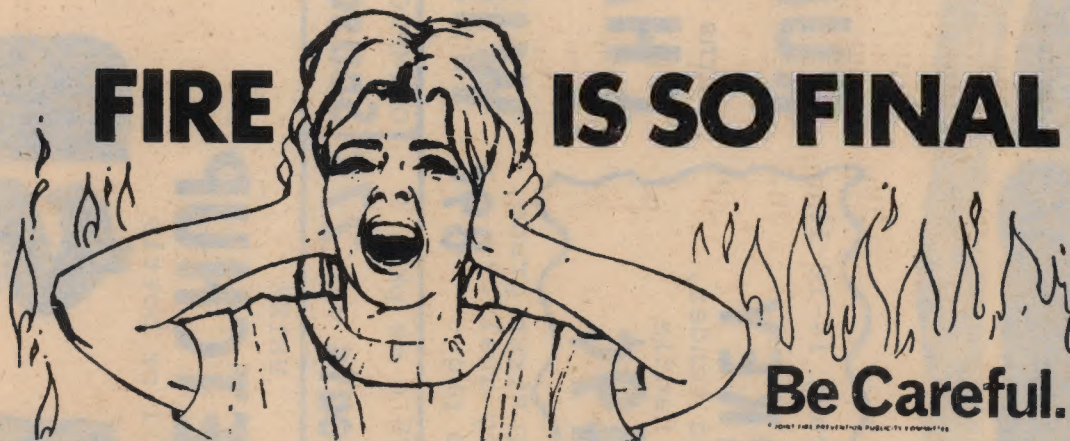

Although the Throne Speech came under attack from the Opposition, expectedly, and from some journalists, most Members of Parliament were very well pleased with it. It outlined in broad terms the lines which the Government intends to pursue in the next year, and beyond, to deal with the problems of building a country able to take its place in the forefront of the modern nations of the world of tomorrow as well as the world of today. Spirit of the Speech was foresightedness.

The Speech directly mentioned two pieces of proposed legislation of great interest to large areas of Rocky Mountain constituency:

The first related to National Parks. Many people in the riding will be watching with very great interest to see what develops out of the passage in the Speech which went as follows:

"You will be asked to consider measures concerning National Parks and Historic Sites and Monuments. These and other facilities for the repose of the mind and restoration of the spirit, for sport, and for physical relaxation are and will be of increasing importance to our social environment. They offer to Canadians and to visitors to Canada the possibility of a quality of life richly satisfying and ever more difficult to come by in this and in other industrial countries.."

Secondly, the Speech listed 47 items of legislation which would be dealt with very early, the 17th of which was a Bill respecting the extension of the railway from Windfall to the Bigstone and South Kabob gas fields. This will be of immense value to the rapidly expanding resource developments in the Edson-Whitecourt-Fox Creek areas.

Driving Course Proposed

Defensive driving courses were conducted earlier in Drayton Valley with good success and are again under consideration.

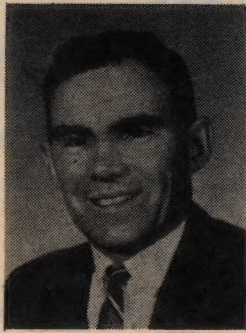

Any licensed driver will find the Defensive Driving Course a fruitful way of learning more about safe driving and improving driving skills. The whole community benefits through the reduction in the number of traffic accidents.

Defensive driving describes the skills developed by professional drivers to keep them out of accident producing situations. These skills have been taken apart, analyzed, studied and put together again in a course for all drivers. It has been proven without doubt that the skills of defensive driving can be taught.

If sufficient interest is shown another course will be held in Drayton Valley in mid-October. Anyone interested is asked to get in touch with Dave Ellery at 542-3689.

Recreation Round-Up

By
Mike Gormley

CIVIC CENTRE SCHEDULE

Preliminary work is under way in drawing up the Centennial Civic Centre schedule for the 1968-69 season. Although there will be some changes, this year's schedule should not differ very much from that under which the Centre operated satisfactorily last season.

At this time we would like any and all groups desiring ice time at the Civic Centre during the coming winter to make their requests known to the local Recreation Department. Forward your requests to the Recreation Office or to Russell Simpson, the Schedule Committee Chairman. All such requests for ice time must be received before Oct-

ober 15th, in order that the schedule may be finalized before the Civic Centre opens for the 1968-69 season.

There is no assurance that any or all requests for ice time will be accommodated in the schedule, however, if we know what certain groups want we can try to work something out to the satisfaction of the parties concerned as well as that of the public and the general overall operation of the Civic Centre program.

WINTER PROGRAM PLANS DISCUSSED

Plans are being laid for the operation of this winter's recreation program especially in relation to activities in the Centennial Civic Centre. The regular monthly meeting of the Drayton Valley Athletic Association will be held on Thursday, October 3rd, at 7:30 p.m. At that time some concrete decisions will be reached regarding the Minor Hockey program for the coming season. The outline of the leagues and teams will be drawn up at this meeting as well as organizational and operational policies pertaining to the Minor program. Officiating problems will also be discussed at this meeting. All those interested in the Minor Hockey program at any level are invited to attend this meeting.

The Drayton Valley Figure Skating Club has established a tentative program for the season. The Club met on Sunday, September 22nd, and drew up their proposed program. The 1968-69 Figure Skating schedule will not differ a great deal from that of last winter. The Chief Instructor, Linda McMorris will not be available this year. The Club has tentatively obtained the services of an Edmonton girl, Karen Weiss who would come here each Saturday during the skating season in the capacity of Instructors sessions during the week will be supervised by the Club members and the Senior girls who have several years of training in figure skating.

Registrations for figure skating will be held prior to the start of the season this year. Candidates will be registered at the Council Chambers in the Town Hall on Saturday, October 19th from 9:00 a.m. to 11:00 a.m. and on Tuesday, October 22nd, from 7:00 p.m. to 9:00 p.m. There will be no registrations accepted at the Civic Centre and there is a chance that late registrations will not be accepted depending on whether or not the max-

imum registration has been reached. All figure skating candidates should make it a point to register on the forementioned dates and thereby avoid disappointment.

A Figure Skating Clinic will be held on Saturday, November 9th, at the Civic Centre. This is a District Clinic and it is hoped that it will be very widely attended, not only by members of the local club but by many interested persons throughout the district.

FOOTBALL NOTES

The football season is progressing favorably at all levels. With about half of the season gone, teams are now well into their respective league schedules.

The F.M.H.S. Spartans played their third game in the North Central Alberta High School Football League last Sunday. The Spartans dropped a 15 - 7 game to Sedgewick. The Spartans travel to Camrose to play the Camrose High School next weekend and are at home against Lutheran College of Camrose on Saturday, October 26th.

At the Bantam level we came up with a strong team in the Edmonton Huskie Bantam Football League. The Packers have had a good year so far. Sunday, the packers travelled to Kinsman Park in Edmonton to play, the West Jasper Place Raiders, and came back with a 32 - 13 victory. Bruce Gossel scored three touchdowns while Roger Bain and Lee Hurley got one each for the Packers. Next Sunday, the Drayton Valley team will travel to Kinsmen Park again to play the Rio Terrace Panthers in the final scheduled league of the season. It is hoped that at least a couple of exhibition games can be arranged after the regular league schedule is completed.

At the "Little Canadian"

level, three teams are playing in the Drayton Valley and District League. So far all teams have turned in a very good effort and we have seen some excellent games. The men in charge of the teams are: Eddie Hutzal and Danny Davies with the Stampeders, Tom Olest with the Blue Bombers and John Poloway and Wayne Gardine with the Eskimos. The teams will play an eight game schedule followed by playoffs with all teams taking part.

LODGEPOLE NEWS

A new venture is underway in Lodgepole with the formation of the Girl's Handicraft Club.

The following officers were elected: Mrs. Clara Schultz, Pres.; Mrs. Anne Schultz, Vice-Pres.; Mrs. Ann Tuks, Sec.-Treas. Twenty four girls were present and plans were made to hold a tea and bake sale in the near future.

Congratulations are in order for Mr. and Mrs. Terry Wentland (nee Cheryl Pederson) whose marriage was a recent event. The bride was the guest of honor at a shower held in the Community Centre. Mr. and Mrs. Pederson held a post-nuptial open house for the newly married couple.

Lodgepole has said good-bye to another couple, who have lived here for the past nine years. Ron and May Knight will be greatly missed. They were both active in the work of the Community Centre and the Curling Club. They will make their new home in Drayton Valley.

A farewell party was held in their honor, and they were presented with a beautiful pole lamp as a token of appreciation from their many friends in Lodgepole and district.

Correspondent.

The St. Charles C.W.L. is once again collecting vegetables and clothing for the Marian Centre. If you have any turnips, carrots, potatoes, or cabbages to spare, please bring them to Mrs. H. Hansen's. Clothing can be left with Mrs. J. Rose.

Mr. and Mrs. Ed Yerman spent a few days in British Columbia where they attended Peggy's brother's wedding.

Mr. and Mrs. Bert Rimer, Debbie, Carolyn and Jackie have moved into their new home.

Mr. Bob Weir has taken over the Royalite Service Station in Warburg. Mr. Weir comes from Edmonton.

The Warburg Area Recreation Board would like to thank Mrs. Anne Kropp for cleaning the kitchen in the hall from top to bottom. Mrs. Kropp volunteered her services for this task.

Friends of Mr. and Mrs. J. Reyes met at their home on Saturday evening in honor of their recent marriage. Everyone wished them well and presented the young couple with a gift of money.

The Warburg Bowling League started their 1968-69 season last Friday. The results were: Pin Ups over Chug-a-Lugs, Barons over Blue Jays, and Warburgs over King Pins. High singles win an ash tray donated by John Hurley. Winners for this week were, Ladies- Phyllis Wotherspoon (250) Men-Benny Weiss (267). High Triples went to Bill Webber

(633) and Phyllis Wotherspoon (642). Team high triple was the King Pins (2423). This Friday the Alley Oops meet the Leprechans, Lucky Strikes vs. the Ramblers and the Polka Dots meet the Busy B's.

Play school started on October 1st from 1:30 to 3:30 p.m. on Tuesdays, Wednesdays and Thursdays. Any child who will start school in September of 1969 is eligible.

Mr. and Mrs. Bill Haseniuk and family are back on the farm at Warburg.

Some of the fellows from Warburg went to Whitecourt for pickerel and came back with a nice catch.

Mrs. Harold Hannem will be running the Hotel-Cafe in Warburg.

The Warburg school boys started the football season on Wednesday when they went to Breton.

Safety Night To Be Held Here

Industrial accidents and work injuries continue to rise in Alberta and because of this disturbing trend the Workmen's Compensation Board of this province is sponsoring a series of seminars for the promotion of accident prevention.

A safety night for this purpose is planned for the Legion Hall in Drayton Valley on Monday, October 7th at 7:30 p.m. The seminar will include films, a live demonstration, and lectures on subjects pertinent to the accident problems in industry today.

Employers, employees and wives are invited to attend the meeting.

NEW BOOKLET ON HONEY RECIPES

"I did not realize honey could be used so many ways". "It keeps baked products so much fresher". "It's much handier in freezing and canning because one does not have to worry about ascorbic acid".

These are typical comments from the many housewives who

have tried recipes in a new honey recipe book. Financed by Alberta Beekeepers Association, "Honey-It's Good Every Way Every Day" is full of ideas for using honey in baking, freezing, canning, candy making etc. It can be obtained from the Alberta Beekeepers Association, 16650-111 Avenue, Edmonton.

EVANSBURG

MRS. M. BRUNER,
Correspondent

I wonder if any of the readers of this column have ever heard of an embarrassed horse. Well, I hadn't either until I was at a meeting which a group of interested people had called in order to form an organization to preserve some of our history and historical exhibits. Since this was only a bare meeting to discuss further plans, it was decided to call a meeting of the general public to take place on October 30th in the Evansburg Legion Hall. It is to be understood that though the meeting is held in Evansburg, people from a wide area are invited to attend so plans can be made to establish a museum to exhibit things of historical interest. And it seems that the embarrassed horse is part of our history, hence his importance.

The Feldberg families and their relatives of the Hollysprings District had a busy time of it entertaining Mr. and Mrs. Ivan Feldberg of Lansing, Sussex, England. Mr. Feldberg originally lived in Hollysprings before World War II. After the war, he lived in England for a while

with his English bride. Then both Mr. and Mrs. Feldberg came to Canada. After living here for a couple of years, they returned to England and just returned to Canada this September for a three week visit. During the time spent here, they visited Jasper with Mr. and Mrs. Melvin Feldberg celebrated Mr. Feldberg's (Margaret) birthday at the home of Mr. Feldberg's mother, toured the Drayton district with Mrs. Norbert Feldberg, visited relatives at Wetaskiwin with Mr. and Mrs. Hutchinson, Mr. Feldberg's sister and brother-in-law, and also met with many old friends at the Norbert Feldberg home when everyone was entertained at a coffee party and sing song. About twenty old friends came to renew old times and the couple were presented with an autographed card as a memento of the occasion. Mr. and Mrs. Feldberg have now left for their home in England but plan to come again soon to Canada. Mr. Feldberg is the son of Mrs. Wanda Feldberg of the Holly Springs district.

Retiring Department of Highway workers, Mr. Bruce Tindall of Wildwood and Mr. John Wilson were honored at a dinner party in the Legion Hall recently. About two hundred and fifty friends gathered to wish the men best

wishes in their retirement.

Mr. and Mrs. Lester (Marlene) Bossert of Edmonton are the proud parents of a baby girl, Charlene Reanne, born August 31st. The prouder yet grandparents are Mr. and Mrs. Emil Langer of Evansburg.

Mr. and Mrs. J. Otto motored to Jasper over the weekend and reported rainy weather for most of the way coming home.

If anyone is wondering why they don't see Mrs. Oster-tag home any more it is because she has now gone to help at the mine as Mr. Allan is ill and someone has to do the office work. However, friends may chat with Mrs. Oster-tag anyway, as the phone has been hooked up at last at the Pembina Peerless Coal Mine for the coming cold season.

Organized Warble Control Established

Wetaskiwin, Alberta, is the first county in Western Canada to become an organized warble control area.

Entailing the voluntary adoption of compulsory warble control, the program is aimed at complete eradication of warble grubs in the county. It was started in 1967 in the western division of the county in response to a petition put forward by cattle producers in that area.

This year a by-law was passed at the county annual meeting making it compulsory for all cattle weighing 300 pounds and over or three months of age and over to be treated every year for warble grub control.

Since the Wetaskiwin warble control program is being looked upon as a pilot project by the Alberta Department of Agriculture the government agreed to make a grant to the county to help it get the program underway. This grant is being paid in addition to 50 per cent or up to \$600 which ever is the greater, that is paid to all municipalities towards the cost of a sprayer and the 50 per cent or up to \$500 which is provided to subsidize the cost of insecticides under The Service Board Agreement.

One prominent government official said that if the Wetaskiwin project is successful it could be adopted on a province-wide basis.

Although the county of Wetaskiwin now has three municipal sprayers, most cattlemen do their own treating and use their own equipment. The average cost of treating adult cattle is about 45¢ a head when done by the owner compared to about 65¢ a head when the job is done by a municipal sprayer.

Second Section

THE WESTERN REVIEW

Drayton Valley, Alberta

Vol. IV, No. 39 Oct. 2, 1968

A survey carried out by the Meat Packer's Council recently showed that half a million dollars were lost to the industry over a four month period in Alberta and Saskatchewan on carcasses where warble grubs were counted. For every dollar lost to the packers there are probably three or four dollars lost to the producer.

One of the problems in eradicating warble grubs is the movement of cattle from one area to another. Some feel that it might be possible to get a dye marker that would stay on the animal for a couple of months.

It is felt that if an identification system were instituted in Alberta the packing industry might be willing to pay a premium for treated cattle. In fact, some feeder sale groups in the province which offer pre-conditioned or treated feeder calves for sale receive a premium of from 1¢ to 1¢ per pound.

Spartans Drop 15-7 Game to Sedgewick

The FMHS Spartans football club travelled to Sedgewick on the weekend and came home on the short end of a 15 - 7 ball game.

The Sedgewick team struck early with some strong running on a sweep to take the lead 6 - 0. They increased this to 8 - 0 by the half with a safety touch in the second quarter.

The Spartan team although vastly outsize gave a real fine account of themselves and

struck back in the third quarter with two excellent offensive back to back plays. A sixty yard run by Stan Oulton around the right end and then a short pass to Jerry Jevne who showed great stuff in broken field running as he eluded numerous tacklers to carry 25 yards for the major. The convert was good and the Spartans trailed 8 - 7 at the end of the third quarter.

Outweighed 40 to 60 lbs. per man in the front line the Spartans defence was unable to stop a last quarter drive of the Sedgewick team with the final outcome 15 - 7.

The Spartans who have already lost three fine footballers due to injury suffered another blow in the last minute of the game when first string quarterback Doug Ibbotson suffered a chipped bone in his ankle and will be lost to the team for an indefinite period.

The Spartans, as their name implies, are still quite ready to go into battle. The team meets their greatest challenge yet as they take on the league leading Camrose Trojans in Camrose next Sunday afternoon.

Ken Fink again played an outstanding game from his right corner linebacker position. Dan Whelan with an interception from his two yard line and fifty yard return, with some excellent running, also shone for the local team. Ron Astle again anchored the offensive and defensive lines of the Spartan team as he played a demanding two was performance.

The coaching staff now feel that experience is a vital factor in making this courageous team into a winner.

Hockey Club Workouts

Drayton Valley Rebels Hockey Club started workouts in preparation for the approaching season and will meet again Thursday, October 3rd.

Workouts take the form of floor hockey at the Centennial Civic Centre at 7:30 p.m. on Monday, Tuesday and Thursday each week.

All hockey players and anyone interested is welcome to attend.

VOTE ROMAN KOWAL FOR TRUSTEE

Roman Kowal is a candidate for election to the position of Trustee for St. Anthony's Separate School Board, on October 16th.

He came to Drayton Valley in 1955 to work for Stanolind Oil and Gas, since changed to Pan American Petroleum Corporation. He is still here with Pan Am, a tribute to his ability.

He was born in Steamtown, Alberta (I never heard of it either) in 1933, and received

his schooling in Lloydminster. His early oilfield experience was gained in Lloyd, also. In 1957 he married Eldora Isley R.N. They now have five children, four attending St. Anthony's.

He is interested in his children's education. He feels by being a trustee, he will be in touch with the teachers and the Board, and be able to protect and promote your and his children's interests at St. Anthony's school.

Preconditioning Cuts Shipping Fever Losses

Each fall the increased movement of cattle brings with it a corresponding increase in the incidence of shipping fever and a better understanding of the disease might help reduce the heavy annual dollar loss, says Dr. W.P. Brisbane of the Veterinary Services Division, Alberta Department of Agriculture.

Shipping fever, known variously as pasteurellosis, stockyard pneumonia or hemorrhagic septicemia, is believed to be caused by a combination of three factors--namely viruses, pasteurella organisms and stress. None of these by themselves will cause the disease but when an animal is subjected to all three factors at one time shipping fever almost invariably results.

Calves being shipped in the fall are the most susceptible of all cattle. Not only have

they undergone the upsets associated with recent weaning but they are apt to be suffering from fatigue as well. Other factors such as rough handling, irregular feeding and watering or chilling increase the risk of their coming down with the disease.

Shipping fever is a respiratory condition with symptoms of high fever, cough, and distressed breathing. The disease usually occurs shortly after new additions are brought into the herd or feedlot. Within a short time it spreads throughout the herd.

An early diagnosis by your veterinarian will aid in determining specific treatment. Prompt treatment with antibiotics has greatly reduced the losses from the disease.

The principal concern of cattlemen should be toward prevention, Dr. Brisbane believes. A little extra care in handling and management of new additions will assist in reducing the chances of shipping fever. Care should be taken to keep stress and chills to a minimum, so that the body resistance of the animal is maintained against disease. The pasteurella bacterins are considered to give some protection, however, these must be given at least 14 days prior to shipping in order to build up immunity. In recent years the administration of long-lasting antibiotics at shipping time appear to have some benefit.

During the past couple of years prestressed or preconditioned calves have become popular with buyers. This means that calves are brought off range two weeks before sale time. They are weaned, vaccinated, castrated, put on light grain feeding, and are over these major stresses by the time they go through the sales ring. This presents an added cost to the seller and the buyer should be prepared to pay a little more for these preconditioned calves. These feeders should be more resistant to shipping fever than ordinary calves going into a feedlot.

ALDER FLATS NEWS

BERNICE JOHNSON
Correspondent

Lucky winners of fifty dollars at the bingo in Drayton Valley Friday night from here were Schuyler Durant and Dwayne Tugwell.

Born to Mr. and Mrs. Clayton Turner a baby girl on Wednesday, September 18th. Also a baby girl was born to Mr. and Mrs. Henry Sluchinski on Monday, September 23rd at the Drayton Valley hospital weighing six lbs. eight ozs. Congratulations to both families.

Mr. and Mrs. Paul Simon attended the Leighton Ford Crusade at the Edmonton Gardens Sunday afternoon, later they drove out to Onoway and visited the Roy Nerdahls.

Mr. and Mrs. Andrew Larson of Wetaskwin spent from Monday to Friday visiting out here.

The Hayduk family enjoyed an outing at the Power Dam and Crimson Lake on Sunday.

Mr. and Mrs. Rodney Forth of Lacombe were weekend visitors at the Bill Rings.

An organization meeting was held for the Cubs and Scouts last Monday evening. New leaders this year are Schuyler Durant and Bill Pye. Cubs started last Monday and Scouts will start on September 30th. Guides and Brownies started last Tuesday. Guide leaders are Joyce Hayduk and Mary Wennerstrom and taking over the leadership for Brownies are Brenda Grant and Marie Pye.

Guest Speakers

On Friday evening at 7:30 Brother and Sister Schwieger will be speaking in the Church of God.

Brother Schwieger is a retired missionary from Kenya, having spent between 15 and 20 years as a principal of a Boys' School and head of the Mission Station.

Everyone is invited to this service.

Lions Plan CNIB Canvass

A pocket book that talks is the latest form of reading material for blind Canadians. Novels, westerns, biographies, and travelogues, are to be distributed by the Canadian National Institute for the Blind, in a miniature form of talking books.

The voice recorded books will soon be available in cases 7 inches by 3 inches by 1 inch; small enough to carry in a pocket, or slip in a mail box. The recorded tape contains up to twelve hours of reading when played on a modern reproducer, no larger than a portable typewriter.

The machines and library service are free to blind Canadians, thanks to public support.

An appeal for funds and other CNIB services will be made by the Drayton Valley Lions Club from October 14th to 19th. Members will canvass the business and residential and surrounding area.

Bantam Bowlers Start Season

The Bantam Bowling program for the 1968-69 season began September 20th. Opening day, John Shewfelt bowled 273 and 256 for a 529 double.

The following are the standings after the 2nd. week. Girl's high averages: Lori Legas, 118; Marilyn Lainchbury, 111; Trudy Pajak, 101; Dixie Davies, 98; Renate Mewler, 98; Debbie Woytowicz, 98; Boys high averages: John Shewfelt, 211; Glen Omit, 158; Bruce Henorix, 150; Brian Hagman, 145; Dennis Kristensen, 137. Girls high single: Lori Legas, 140. Girls high double: Marilyn Lainchbury, 241. Boys high single and high double: Joe Shewfelt, 194 and 316.

There are a few openings to bring our membership up to the desired 30. Any children aged 8 - 11 are welcome.

Teen Club Plans Events

Drayton Valley In Crowd Teen Club has started another year of teen recreation. With the greatly appreciated help of the Elks who agreed to sponsor us, we plan on a very successful year.

During our first two meetings we have had an average of thirty-seven co-operative members in attendance which proves plenty of enthusiasm.

We have elected a new executive that consists of: President, Jean Simon; Vice-President, Bernie Frost; Secretary, Louise McColman and Treasurer, Jill Kerr.

We are planning to have many functions such as: hayrides, toboggan parties and dances which will be sufficiently chaperoned.

To raise funds we have planned a bake sale and a car wash, both to be held on October 6th. We would appreciate co-operation from both parents and members.

When success turns a man's head, he faces failure.

Students Get Library Use at Tomahawk

The Tomahawk Community Library Board met on Tuesday evening, in the library with seven members present. Mr. Overbo, Principal of the Tomahawk School, was also there to discuss some important business with the library board.

The financial statement on the July 1st picnic was read showing a very good day with a clear balance of \$150.45.

A motion was made to pay half the expense for the cleaning of the Community grounds after the July 1st picnic.

Mr. Overbo discussed clearly the idea of opening the library to teachers and their classes so that the students can have reading research and free reading periods during the week. This way the students will get more use out of the library.

A letter was written to the Divisional Board requesting that a double door be cut connecting the library room with an adjacent classroom, which is not being used as a classroom at this time, and put a

few tables and chairs in for the teachers and students.

KEEPPHILLS NEWS

MRS. G. RAYMOND, Correspondent

A.G.T. has most of the new dial telephones installed in this area and the date to change over is October 6th.

On September 23rd, Mrs. Jane Greenhough celebrated her 98th birthday with members of her family. Her daughter Jennie (Mrs. Walter Herron from B.C.) was there and spent the weekend with her mother and other members of her family. Mrs. Greenhough came to Keepphills shortly after the turn of the century with her husband and family, several years later they moved across the river to the Genesee area where most of their family still live.

Moris Carter has been having a basement dug. They struck water and sand in one corner which made it necessary to dig another one.

Andrea Strassburger and Tammy Raymond (cousins) were both two years old recently and each celebrated with a birthday cake and family party.

Mr. Richard returned home last week after more than a week in the Stony Plain hospital. He is improving nicely.

Mrs. LeGrand's sister, Honor and family from Edmonton

Joe Tymchuk shows a king-size potato from his farm at Highvale. The potato tipped the scales at three pounds, fourteen ounces and according to Mr. Tymchuk, his garden produced many more of the whopper variety.

spent the weekend with Mr. and Mrs. LeGrand.

Donna Porter, Dianne Korzan, and Sharon Melniechuk are attending University.

Everyone is hoping the warm weather is here to stay for a while to give the farmers a chance with their crops. Grain in the swath for more than four weeks is starting to grow. Others are just now cutting their second crop of hay.

Mr. and Mrs. Art Bryant were in Drayton Valley on Wednesday of last week and visited their son, Gordon and his family.

Read The Want Ads

CARNWOOD

MRS. ROSE SAUNDERS, Correspondent

We understand Bobby McCready has returned to his home in B.C. He spent the summer with his Aunt Mrs. Blanche Barnett.

Mrs. May Jorgenson is visiting with her daughter Mrs. Frank Cox.

The Camwood Country Club Society held its annual Old Timer's Night with great success. The evening was spent with a few games of bingo and a game of charades, a sing song led by Miss Shelli Barnett and Miss Elaine Hankins. The evening closed with a lovely lunch served by the club members.

Congratulations to Mr. and Mrs. Joe Saunders on the birth of a son (Raymond Dale) born on September 21st, also to Mr. and Mrs. Gordon Tryon (nee Mae Martin), also congratulations to Don and Isabel Martin on their first grandchild.

Mr. and Mrs. Bert Belanger are visiting in the district before they return to Fort Nelson, B.C.

The community extends deepest sympathy to Mrs. Ed Hammen and family on their recent bereavement.

Visiting with Mr. and Mrs. Frank Cox and sons were Mr. and Mrs. R. King from Portland, Oregon, also Mr. and Mrs. Joe Polick of Telfordville.

Congratulations to Mr. and Mrs. William Deisting (nee Mrs. Minnie Snelgard) who were married on Friday, September 27th. Best wishes from the community.

Get well wishes to Mrs. Marlene Jorgenson who had the misfortune of fracturing her arm on Thursday.

Mr. Frank Cox made a trip to Lacombe on Friday.

Mrs. Edna Van-Ember is visiting with her sister Mrs. Frank Cox.

HAVE IT PRINTED,
IT'S GOOD BUSINESS

Remodelling of this Moon Lake home uncovered the 1930 Financial Statement for the Municipal District of Rocky Rapids, No. 522.

1930 Financial Statement Found During Remodelling

An auditor's financial statement for the Municipal District of Rocky Rapids no. 522 for the year 1930 turned up recently during the remodelling of a Moon Lake home.

The statement was found between the studs in a wall section by Mrs. Bernie Town of Moon Lake. The home being remodelled was originally owned by her grandfather, Mr. C. P. Jensen and was the meeting place for ratepayers of M.D. 522 on that day in February, 1930 when the statement was somehow tucked into the wall.

The meeting was called over the signature of William Maddock, Secretary-Treasurer.

Assessed valuation of land in the municipality is listed as \$398,520, but a bank balance of \$791.73 is a reflection of the lean days of the thirties.

The district in 1930 had an estimated population of 2,495 on 602 parcels of land under taxation. School assessment came from six divisions at Brightwood, Eldorado, Millbank, Bloomingdale, Rocky Rapids and Reno.

Councillors were remunerated at the rate of \$3.00 daily for meetings and 10 cents a mile for travelling. The municipality paid out \$216 in 1930 to its four councillors who were C. J. Robinson (Reeve) Division 1; E. Errystrom, Division 2; J. Beauchamp, Division 3; and L. Ramstead, Division 4.

Equipment of the day was apparently not too elaborate, consisting of scrapers, fresnos, plows, etc. of \$1,549.75

estimated value.

The municipality operated for the year on a budget of \$12,759.19.

The "hungry thirties" show clearly in many items listed in the statement at rock-bottom compared to today's soaring cost of municipal administration.

BURTONSVILLE NEWS

MRS. A. HOMME,
Correspondent

Mrs. Doris MacDougall spent a couple of days in the Drayton Valley Hospital, where she underwent minor surgery. She is now home and feeling better. We are pleased to report that Mrs. Della Kennedy's health is gradually improving.

Rev. Kennedy dug his potato crop on Monday and Tuesday and found a bountiful crop of lovely potatoes.

Mary Tattersall made a trip to Edmonton this week.

Bernice Osbak of St. Francis is to spend two or three days in the Royal Alexandra hospital for tests.

Burtonsville expects to be on dial phoning by October 6th. Some are getting their new phones in. All have been invited to a color movie showing direct dialing at the Keephills auditorium on October 1st.

We are enjoying the beautiful weather and hope it continues and gives us a long Indian summer.

THE HOME TEAM

"Of all the rotten luck. I allow only 45 hits and I lose the game."

Osborne's Retain Tag Team Title

Dave Ruhl, the pride of Hanna and one of the top wrestlers in Canada, took two

out of three falls to defeat Harvey "Buck" Jones in the main event of the Rotary sponsored professional wrestling card held at the Centennial Civic Centre last Saturday night. The presentation was a financial success and was attended by about 325 persons.

Ruhl came back to take two quick falls from Jones after losing the opening session at the 14 minute mark. Ruhl used a series of leg locks to to advantage to dispose of the rugged Jones.

In the semi-final, the tag team match for the International Tag Team Championship, the champions Bud "Bulldog" Osborne and his brother Roy put their title on the line in a match with Vic Roseitinni and Rudy Kay. Falls were even at one each when both teams were disqualified in the third go-around.

In the other two out of three fall affair on the card, Bob Sweetan came through with a popular victory over the aging veteran Fispo Zybsko.

In the opener Chuck McCracken drew with Boris Hogg over the twenty minute route.

Entwistle News

Recent visitors at the home of Mr. and Mrs. Yandt were: Mrs. Conrad Wagner of Fairview, Miss Daisy MacLachlan of Peace River, Mr. George Gordon of Whitecourt, Mr. David Greaves, Miss Sally Bower of Edmonton, Mr. and Mrs. Elio Pezzott and Donald of Tomahawk, Mrs. Leo Burki of Sangudo, and the next day they had Mr. and Mrs. Hugh Kerr and family, Mr. and Mrs. Rudolf Bredt, Mr. and Mrs. Nick Halisky and Kevin of Edmonton, Mr. and Mrs. Lyall Gordon and family of Drayton Valley, Mr. Robert Brown of Red Earth, Sandra Campbell and Allen Brown of Edmonton.

Robert Brown has gone back to Red Earth after being home for three weeks.

Mrs. Gertie Smith had as her visitors, her mother, Mrs. Feltie and Mrs. Matson of Mayerthorpe.

Margaret Leyden spent the weekend in Entwistle.

Jack Delorey and family have moved to the Y H Carlson home down the highway a piece.

David Peck and Edith Jones were married in the Entwistle Church on Saturday, September 21st and several residents attended the wedding dance at Lake Isle that evening.

Three Vehicles Involved in Crash

Mrs. Florence Blair of Horen, Alberta died Tuesday morning on the way to an Edmonton hospital. Mrs. Blair was a passenger in a car that was involved in an accident earlier in the morning.

Mrs. Blair was ill at the time of the accident having collapsed at home and was being brought into the Drayton Valley Municipal Hospital for treatment when the accident occurred at the intersection of 50th Street and 50th Avenue. Cause of death has not been determined and an autopsy ordered.

Driver of the car was Mrs. Helen Charlet of Horen and Mrs. Blair's husband, the only other passenger. The car collided with a truck driven by Oliver Ferguson of Drayton Valley and then the two collided with another truck driven by Darwin Patterson of Drayton Valley.

The accident occurred at about 8:00 a.m. at the controlled intersection.

RAMONA

MRS. JEAN STEWART
Correspondent.

An old timer from our district Mr. E. Walker, passed away in Entwistle, Alberta on September 27, 1968 at the age of 78. He was born in Austin, Manitoba on December 7th, 1890 and moved to this area around 1930 with his family. He is survived by one son Frank of Calgary and one daughter Margaret Scarff of Cooksville, Ontario, one sister, five grandchildren and two great grandchildren. Also left to mourn his loss is Glen Gorwell, his wife and two

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Allan Smith, nee Edna Look, of Yellowknife, have been visiting their parents in Violet Grove, and are at present on a tour of western United States.

The B.C. Travel Bureau is missing out on a lot of free advertising if they fail to contact Mr. and Mrs. Doig for their enthusiastic comments on travel in our neighboring province.

Drayton Valley welcomes the following newcomers: Mr. and Mrs. Coppens, Mrs. and Mrs. Gary Armstrong, Mr. and Mrs. Lorne Paulin and their families.

A prominent citizen of our town says "No one is entirely useless, the worst of us can serve as horrible examples."

Mr. Wollschlager had relatives visit him for four days last week. They were Mr. and Mrs. Russell Tucholke and Mr. and Mrs. Walter Gary from Milton-Freewater, Oregon. Mrs. Tucholke is a niece and Mr. Gary a nephew of Mr. Wollschlager. While here the entire party with Mr. Wollschlager were house guests of Mr. and Mrs. Fritz Joesting at their farm at Lodgepole.

The president of A.C.W.W. Mrs. Dutt, of Calcutta, India, will speak in the school auditorium at Stony Plain at 1:30 p.m. on Sunday, October 6th. Members attending are requested to bring enough bars or cookies for themselves. It is stressed that gentlemen are most welcome to attend.

A recent issue of "International Scala" carried a re-

children of Victoria, B.C. Mr. Walker had a way with young people and will be sadly missed by them. His many friends and neighbors around this community were saddened by his passing but learned of his death too late to attend his funeral. Our sincere sympathy is extended to his family at this time.

Ken and Ida Law of Innisfail paid a surprise visit to the Stewart's last week. The Laws used to live in Drayton Valley several years ago. We hope you don't wait so long to come and visit again Ken and Ida.

Wendy Blarkewicz was a patient at the Drayton Valley hospital last week. Wendy came home less her tonsils. Hope you are feeling fine now Wendy.

Happy Birthday to Dixie Davis who celebrated her birthday on October 8th.

Our monthly Bingo is next Tuesday, October 8th - jackpot \$150.

Lariat Gymkhana Club's annual banquet and dance is Friday, October 4th and there are still some tickets available if you would like tickets please phone any members of the club or 542-2137 or 542-2151 or 542-2252.

Glen Gorwell was out from Victoria, B.C. to attend Mr. Walker's funeral. Glen's stay was short but he hopes to come home again to visit his friends in this area. He said his mother was quite well but unable to make the trip as her sister Violet is ill. Mrs. Gorwell cares for her in their home in Victoria.

production of the painting "Congress of Vienna". The original painting was done by Weisser. The congress was held in 1814-1815 and was attended by such distinguished personages as the czar of Russia. Above each man's head a number was shown and at the side a list of the corresponding names were given. As we glance idly at the pictured faces a strangely familiar one appeared. The accompanying list showed it to be that of Baron Bernard Von Tetterborn. It was the young man many of us know as "Berny" with a moustache. Inquiry showed that this young man is a direct descendant of this illustrious ancestor. The Von Tetterborn family makes

fascinating reading. It is surprisingly complete from the year 1178 until the present day. During the depression period following the First World War, the Von Tetterborn, estates were lost to them and Berny's father, the 22nd Baron Von Tetterborn, came to Canada and settled on a farm at Rimby. In a note at the end of the history he remarks that the family estates would have been lost in any case after the Second World War because the iron curtain split them with very little being in the western zone.

Drayton Valley, Alberta

TOWN OF DRAYTON VALLEY TENDERS

Tenders are presently being invited and will be received until 5:00 p.m. on Saturday, October 12th, 1968 at the Town of Drayton Valley Recreation Office for the rental of the concession booth rights at the Centennial Civic Centre from November 1st, 1968 to April 1st, 1969. Contract and legal agreement must be entered into between renting party and the Town of Drayton Valley.

Owners reserve the right to reject any or all tenders and the highest or any other tender not necessarily accepted.

Particulars are available at the Recreation Office or from the undersigned.

Michael J. Gormley
Recreation Director
Drayton Valley, Alberta

'COACH' S CORNER'

The North East Central High School football league has a ruling where a team may draw from surrounding schools for player personnel. Thus when the Spartans play Wetaskiwin, Sedgewick or other league teams they are not only playing these large high schools but also players from surrounding schools that in themselves are larger than our own local school.

Numerous local residents find it unbelievable when they read reports of Spartan games

that the Spartan front line is outweighed fifty - sixty or even seventy pounds per man. This article is only an explanation for these people. The team that the Spartans played this past weekend draws from five surrounding central high schools, such as Killam, and thus we are looking at a selection for a team from up to 1300 students and it can be understood that there are players on that team of 265, 250 and 240 lbs. The reason for the small Spartan line is that they draw from 300 students and have a line average of 160 lbs. at the most.

The reason that the league permits these schools to draw from area schools is mainly the expense of the game and its importance that young adults have a chance to participate. The football money investment is in one school but it is for all the schools of that particular area.

This article is not an excuse for our local boys not winning in their first two league outings but only an explanation for the numerous people who have been asking. The Spar-

tans coaching staff is not ready to accept the losses but when they say that in many ways they are proud and pleased with our local boys performance they have reason for saying this. The football experience is what is of major importance for our boys and our Spartans as our Warriors did well bring honor to their school and community.

The highlight of the season will be the Spartan's final home and league game on Oct. 26 against the great Lutheran College football club.

New Residents

Among the new arrivals here this summer were Mr. and Mrs. Krist Steffenson and son Dennis. The Steffensons lived at Ponoka for a year but prior to that spent over 30 years farming in the Buck Creek area.

Also moving here in July were Mr. and Mrs. Chris Thauberger and family. They moved to Drayton Valley from Slave Lake.
